

Membership Pass Perks

The Friends and Foundation has Member Pass Perks now available for checkout through the library. These passes are only available to paying members of the Friends and Foundation.

- Passes are held at the Goddard Public Library and can be checked out for three days.
- These are organizational/business passes, meaning we only have 1 pass available for each location.
- These passes are first come, first serve, so there is no holds list. You can call the library to check for availability at 316-794-8771.

About the Friends

The Friends of the Goddard Public Library is a volunteer nonprofit organization made up of people who recognize the vital role the library plays in our community. Since 2019, the group has provided support for the Goddard Public Library. Our purpose is to promote the interest and welfare of the library as an educational, cultural, and recreational asset to the community.

We focus public attention on library services, programs, facilities, and needs of the library through the sponsorship of summer reading, collection development, and fundraising projects.
