Rules for Lending

The Goddard Public Library, in partnership with the Goddard Lions Club, provides medical equipment lending for individuals in our community and surrounding area.

Individuals may borrow medical equipment for 3 months. If the equipment is needed for a longer period, an individual may extend the loan.

GODDARD LIONS CLUB

“Lions meet the needs of local communities and the world every day because they share a core belief - to serve their community.” – from their website

Goddard Lions Club provides all equipment for lending. For this reason, it is important that the Goddard community and surrounding area benefits from this service. If you live in Goddard or within the Goddard School District, you are eligible for this program.

Items available for loan include: wheelchairs, walkers, bath and shower chairs, knee scooters, crutches, canes, commodes.
