

# About the Friends

The Friends of the Goddard Public Library is a volunteer nonprofit organization made up of people who recognize the vital role the library plays in our community. Since 2019, the group has provided support for the Goddard Public Library.

Our purpose is to promote the interest and welfare of the library as an educational, cultural, and recreational asset to the community.

We focus public attention on library services, programs, facilities, and needs of the library through the sponsorship of summer reading, collection development, and fundraising projects.

# always imagine more
