

Libby by Overdrive

GPL provides digital books and audiobooks for checkout through Overdrive. You will need to download the Libby for Overdrive application. If you are using a Kindle device you will need to download the Overdrive application.

Once the application is downloaded, open it. It will ask if you want to sign in with a library card, choose yes. It will ask you for the name of your library, type Goddard Public Library, Goddard, KS. Once GPL is chosen you will need to put in your library card number and enter the pin which is *the last four digits of your phone number on file*.

If you have difficulty setting up this application or accessing your items, please bring your device to the Library and we will assist you.

Beanstack

This is our tracking application for Summer Reading and all other reading challenges. Download the app and search for Goddard Library. Choose GPL and sign up for an account. You can then track all your reading, log minutes and or books, and participate in our reading challenges.
